

Mermaid Naming Contest

On Friday, November 6th our school mermaid will be berthed in her permanent location on the roof of St. Pius X School outside Mrs. Brown's Art Room. A beacon of service, she'll remind us every day that our community is a special place to learn and grow. Before coming ashore however, she needs a good name. You can help by submitting your ideas on this form to our *front office* by October 30th.

Have fun, and be creative! To get started think of names that remind you of the sea, of pirates, and also of St. Pius X. A few names used by other mermaids in the area include: Marina, Nora Folk, Shellina, Faith, Hope, and Jewel. You can find others on the mermaid website at <http://mermaidsonparade.com/Mermaids>

Suggested Name for SPX Mermaid: _____

Why this name? _____

Our Mermaid already has her own face book page (search for her administrative assistant Sandy Pius), her own email address (spxmermaid@gmail.com) and will be a permanent face on our website. She'll also be part of many fundraising activities, be seen on special T-Shirts and posters and will help us be part of many things going on in our community. Do you have any other ideas for her?

Your name & Homeroom: _____

Your home/family cell number: _____
